About the Event

The Associate Board of Housing Forward is excited to present *Mystery & Mayhem* – a themed crime-solving event to end homelessness. Held at *Untitled* in Chicago, it will feature a cunningly good mystery produced by America's most popular dinner theater company, *The Murder Mystery Company* complete with professionally trained actors. Guests will get the chance to solve a comedic case just like a detective, and possibly get pulled into the play themselves. Past events hosted by the Associate Board have been great successes with more than 150 young professionals and supporters participating. We anticipate even more participants this year as we host this unique event.

We love the community support that makes our fundraisers successful and help us to further our vision to end homelessness. Supporters of Housing Forward's mission, through event sponsorships, translate to hundreds of people successfully transitioning back to stable housing. Your sponsorship will ensure this is a profitable event, maximizing the benefit to families and individuals experiencing a housing crisis. In return, we give your brand and your generosity high visibility in front of two groups – young professionals and Housing Forward's 5,000 person-strong support base. Thank you for considering this opportunity.

About the Associate Board

Along with the staff of Housing Forward, their pursuit to solve homelessness for those we serve is what unifies and empowers them to excel. The Associate Board hosts a yearly event in October and further supports Housing Forward's mission through social events, volunteer recruitment, fundraisers, and volunteer service projects.
